

A Trick of The Light by The Villagers (6)

INTRO [F E Am Am/G | F E Am Am/G]

My [F]heart is spilling [E]over
[Am]Crashing on the [Am/G]ground
I [F]can't see what's a[E]round me
But [Am]soon I'll come a[Am/G]round

My [F]faith is in the [E]balance
Of a [Am]million tiny [Am/G]words
So [F]I return to [E]silence [Am /]

And if [F]I see a sign in the [E]sky tonight
[Am]No one's gonna tell me it's a [Am/G]trick of the light
[F]May never come but I'm [E]willing to wait
[Am]What can I say I'm a [Am/G]man of the faith
And [F]there's an ocean in my [E]body
And there's a [Am]river in my [Am/G]soul
And I'm [F6 /]crying [E7]

It's [F]time that I let [E]go
Of [Am]things I can't con[Am/G]trol
This [F]path that I've [E]taken
Is the [Am]only one I [Am/G]know

Well I've [F]come so far to [E]get here
And I've [Am]got so far to [Am/G]go
So I'll [F]take what I can [E]get
In [Am]matters of the [Am*]soul

And if [F]I see a sign in the [E]sky tonight
[Am]No one's gonna tell me it's a [Am/G]trick of the light
[F]May never come but I'm [E]willing to wait
[Am]What can I say I'm a [Am/G]man of the faith
And [F]there's an ocean in my [E]body
And there's a [Am]river in my [Am/G]soul
And I'm [F]crying [E Am]

[E E7]And we are the [A7sus2 /]dawn
[E E7]And we carry the [A7sus2 /]sun
[E^{b9} /]And we are the [A7sus2 /]dawn
[E^{b9} /]And we carry the [A7sus2 /]sun
